Pre-Enrollment Checklist

Prior to making an enrollment decision, it is important that you fully understand the coverage you are going to be receiving. If you have any questions regarding your coverage options, you can call to speak to us at 1 (800) 893-9457 (TTY 711).

Understanding the Benefits

- ☐ The Evidence of Coverage (EOC) provides a complete list of all coverage and services. It is important to review plan coverage, costs, and benefits that are important to you before enrolling. Visit www.eternalHealth.com/Forms-Documents or call 1 (800) 893-9457 (TTY 711) to view a copy of the EOC.
- ☐ Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.

Understanding Important Rules

- ☐ You must continue to pay your Medicare Part B premium. This premium is typically taken out of your social security check each month.
- ☐ Benefits, premiums and/or copayments/co-insurance may change on January 1, 2025
- ☐ Our plan allows you to see providers outside of our network (non-contracted providers). However, while we will pay for certain covered services, the provider must agree to treat you. Except in an emergency or urgent situation, non- contracted providers may deny care. In addition, you will pay a higher co-pay for services received by non- contracted providers.
- ☐ Select benefits and services may require a prior authorization.
