## Introduction

This directory provides a list of eternalHealth's network providers for Maricopa county in the state of Arizona. To get detailed information about your healthcare coverage, please see your Evidence of Coverage (EOC).

This directory is updated monthly and has the most current information on our participating provider network. The network may change at any time, including between regular directory updates. Before you schedule appointments or receive services, please confirm if the provider is participating in the network and is accepting new patients.

HMO members will have to choose one of our In-Network providers listed in this directory to be your Primary Care Provider (PCP). Additionally, HMO members must receive care from providers only at the locations listed in this directory. If you receive care from one of these providers at another location that is not listed, your care will not be covered, except in a medical emergency.

Please note, although certain providers may be listed in this directory, it does not mean that their services are covered benefits under your plan. Also, you may need a referral or authorization to see participating providers for certain services. To get detailed information regarding benefit coverage, referral, or authorization requirements, please reference your EOC.

## Selecting your PCP

To select your PCP, you can:

- Make a change through the eternalHealth Member Portal.
- Make a change through the eternalHealth Empower mobile application.
- Call member services.
- If you elect to change your PCP, the change will go into effect on the first day of the following month.

## Contact Us

If you have any questions about selecting a PCP, finding appropriate care or a provider, or understanding your benefit coverage, call our Member Services at +1 (800) 680-4568.

To notify eternalHealth of inaccurate information found in our provider directory, call our Member Services at +1 (800) 680-4568.

### **Balance Billing**

Please note, in cases where out-of-network or in-network providers submit a bill directly to the enrollee, the enrollee should not pay the bill but should submit it to the plan for processing and determination of enrollee liability, if any:

To submit the bill to eternalHealth, please call Member Services at +1 (800) 680-4568.

## eternalHealth Network Information

### eternalHealth Horizon (HMO)

This plan has access to all of eternalHealth's in-network providers. As an eternalHealth member, you may see any provider listed in this provider directory. However, please know that specialist visits require a referral from your PCP. The cost-sharing amount (copayment or coinsurance) you pay for covered services will be applicable for all providers listed in this directory.

Some providers may have admitting privileges at hospitals that are not part of the eternalHealth network. Make sure your provider refers you to a hospital that participates in the eternalHealth network when you need hospital care or services such as lab tests, X-rays, MRI, or CT scans provided at a hospital. Except in an emergency, or otherwise required by law, your plan will not cover services at hospitals that do not belong to the eternalHealth network.

If you have questions, refer to your plan documents or call Member Services.

### eternalHealth Grand Give Back (HMO)

This plan has access to all of eternalHealth's in-network providers. As an eternalHealth member, you may see any provider listed in this provider directory. However, please know that specialist visits require a referral from your PCP. The cost-sharing amount (copayment or coinsurance) you pay for covered services will be applicable for all providers listed in this directory.

Some providers may have admitting privileges at hospitals that are not part of the eternalHealth network. Make sure your provider refers you to a hospital that participates in the eternalHealth network when you need hospital care or services such as lab tests, X-rays, MRI, or CT scans provided at a hospital. Except in an emergency, or otherwise required by law, your plan will not cover services at hospitals that do not belong to the eternalHealth network.

If you have questions, refer to your plan documents or call Member Services.

### eternalHealth Valor Give Back (HMO-POS)

This plan has access to all of eternalHealth's in-network providers. As a member of an eternalHealth HMO-POS Plan, you may see any provider listed in this

provider directory and have the ability to see certain providers outside of the eternalHealth network, at an additional cost. The cost-sharing amount (copayment or coinsurance) you pay for covered services will be much lower if you go to a provider in-network with eternalHealth versus out-of-network.

If you need hospital care or services (e.g., lab tests, X-rays, MRI) provided at a hospital, you can save money when your provider refers you to an in-network hospital.

If you have questions, refer to your plan documents or call Member Services.

## Notice of Non-Discrimination

eternalHealth complies with applicable Federal civil rights laws and does not discriminate based on race, color, national origin, age, disability, or sex. eternalHealth does not exclude people or treat them differently because of race, color, national origin, age, disability, or sex.
