

Diabetic Testing Supplies-Effective 1/1/26

Listed below are our preferred Diabetic Testing Supplies for 2026. It is easiest to fill these through the pharmacy benefit at the same pharmacy where your medications are filled. All products on this list, if approved, are \$0. Prior authorization criteria and quantity limits are the same as traditional Medicare (insulin required for monitoring devices). For any questions call OptumRx at (800) 891-6989.
